### Technical Specifications Provision of Photo Exhibition Services

The United Nations Development Programme (UNDP) in Brussels is seeking offers from established suppliers to provide the photo exhibition services for the upcoming exhibition “The Power of Democracy – Photo Exhibition on Electoral Assistance” in **New York City (United States)** at **United Nations Headquarters** from **15 September to 3 October 2018**.

#### Context:

The United Nations (UN) has been playing a major role in ensuring democratic, inclusive and peaceful political processes and transitions worldwide. Since 1991, the UN have been providing electoral assistance in response to the request from more than 100 countries worldwide. While the UN electoral assistance is monitored and coordinated by the Electoral Assistance Division (EAD) as part of the UN Department of Political Affairs (DPA), which sets the political orientations and ensure coherence among all UN entities, the UN electoral assistance draws upon the diverse expertise brought by all implementing UN agencies. Several UN bodies are mandated to implement electoral assistance projects, including the Department of Peacekeeping Operations (DPKO), the United Nations Development Programme (UNDP), the United Nations Volunteers (UNV), and UN Office for Project Services (UNOPS), among others.

In order to showcase the key achievements of the United Nations in the field of democracy and governance, UNDP proposes to organize a one-week photo exhibition at the UN Secretariat starting on 18 September 2018. The exhibition will present a number of ongoing electoral assistance projects, including mission (Somalia, Afghanistan...) and non-mission settings (Sierra Leone, Lebanon...).

The photo exhibition will also showcase partnerships with external partner organizations, including the European Union (EU). As one of the major global supporters in the field of elections and democracy, the EU funded electoral assistance projects of more than 400 million euros in about 40 countries in the last five years. As such, the European Union and the United Nations have joined forces to deliver tailor-made electoral assistance worldwide through solid and long-lasting partnership, such as the EC-UNDP Joint Task Force on Electoral Assistance (JTF). The JTF, a Brussels-based coordination mechanism, is charged to ensure and increase the overall efficiency and adherence of the projects to the common EC-UNDP strategic approach. More information on the JTF can be found here: <https://www.ec-undp-electoralassistance.org/>.

The proposed photo exhibition will be based on a similar event organized by the JTF in Brussels in February 2018 and follow a similar format. For more information please see this short video: <https://youtu.be/SaezsGdyvLw>.
