

Recruitment Agency Policy

Detectortesters has a commitment to sourcing candidates directly for most of our roles.

We get a lot of interest and calls from recruitment agencies and whilst we appreciate the interest you have in supporting our business, we cannot keep in touch with all of you.

We do have a Preferred Supplier List (PSL) for the provision of recruitment services and we will not accept unsolicited CV's from suppliers not currently on our PSL. Detectortesters will NOT be responsible for any fees, charges or terms associated with any CV's received without a PSL agreement in place.

We reserve the right to contact these candidates directly and initiate discussions without payment of any agency fee.

Recruitment agencies joining our PSL will be strictly by invitation only and we politely request that you refrain from approaching our Human Resources department or recruiting managers directly.

We have reviewed our recruitment suppliers for the current year and are not looking to add any new agencies to the list at the moment. If your company would like to be considered to join our PSL you should submit your details via our Recruitment page on www.detectortesters.com.

Graduate Recruitment

Please note we do not accept applications from agencies for graduate opportunities.
