

## Four Day Culburra Beach Itinerary – Family Getaway

### Day 1

- Once you can smell that fresh ocean air you know you have arrived at **Culburra Beach**. Check into your family friendly accommodation for your stay in the early afternoon at **Holiday Haven Culburra Beach**. With facilities like direct access to the beach, jumping pillow, mini golf, splash pad, children’s playground, swimming pool and Wi-Fi, the children will be fully entertained.
- Once the kids have finished exploring their new home away from home its time to check out some of the local hot spots. Take a quick walk up the street and check out **Crookhaven Lighthouse**. Keep an eye out for the beautiful **Aboriginal Carved Tree Scaring Poles by Jerrinja Elder, Uncle Noel Wellington** on your way, a series of monuments representing the stories of local fish, shellfish, hunting and gathering culture of the local Jerrinja Aboriginal people.
- Dinner tonight is an easy child favourite - pizza! Grab one to take away from **Bambinos** in Culburra Beach or head over to **Salute Pizza** in Callala Bay. If it is a nice evening enjoy your pizza picnic by the water and enjoy the sunset as the sky lights up with pink and orange tones.

## Day 2

- Enjoy a hearty breakfast at one of the local cafes. **Food & More** offers a range of fresh hot food, you can also pick up some gourmet groceries or convenience goods like fishing supplies at the same time.
- Today is for exploring the nearby coastal village of **Currarong**. Take the turnoff to Beecroft Peninsula and relax or snorkel at one of the stunning beaches of **Honeymoon Bay** or **Long Beach**. Only open to the public on weekends, public holidays and school holiday periods, the exclusivity of these beaches makes it all the more fun to brag about to your friends back home.
- If you are wanting to work off your breakfast, there are also some great walking tracks like the incredible rock window at **Abrahams Bosom Reserve** as well as shipwrecks and more beaches like **Lobster Bay** to check-out on your way to the coastline cliffs.
- After a dip head into **Currarong** village and stop by **Zac's Place** for some refuelling food. Grab some freshly caught fish and chips and head to the park for a picnic!
- After a jam-packed family day out, head back to Holiday Haven for a quick game of minigolf before freshening up and then venturing out to dinner at **Culburra Bowling Club** with a kid-friendly menu. Seafood raffles are even on offer on Saturday afternoons and meat raffles on Thursday and Friday nights!

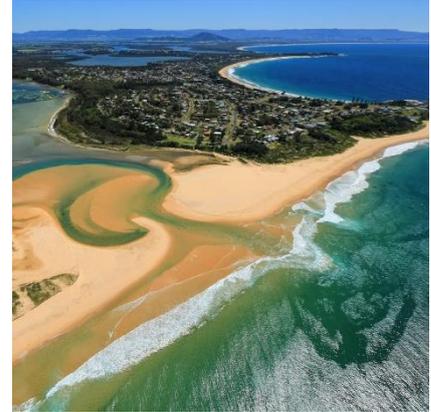

### Day 3

- Try another local café this morning for breakfast like **Em's Place**, **Benny's Cafe** or **Ritual Habitual** all with great coffee and bacon and egg rolls, you simply can't go wrong.
- Then hook up with **Academy of Surfing on Culburra Beach** to learn or improve your surfing skills. With two renowned surfing beaches at Culburra that brewed Australian Surfing legends the Wright family Owen, Tyler and Mikey, it would be a waste not to test the waters.
- Hopefully, you haven't wiped out too much, but either way you will be ready for a hearty meal. Head to **Burra Beach Eats** for takeaway and head over to the picnic area at **Tilbury Cove** Reserve to enjoy the scenic views.
- Chill out at your accommodation this afternoon or check out the local skate park. If you are still up for some adventure why not take the family to barefoot bowls at the club? A treat for the kids and the parents.
- You could also make your way over to Nowra and grab some local produce from **Nowra Fresh** from local artisan cheeses to freshly caught seafood there is plenty to choose from for dinner or if you're loving dinners out **Loco Lane** Mexican cantina or **Little Snapper** are both great options to enjoy a selection of local Shoalhaven beers, signature cocktails and relaxed meals served with friendly local hospitality.

## Day 4

- After a slow wake up and check out, head into **Nowra** and grab a family pass to **Shoalhaven Zoo**, boasting an extensive collection of native and exotic animals from lions, crocodiles, monkeys and koalas all on the banks of the Shoalhaven River.
- Just next-door pair your zoo adventure with a **Trees Adventure**. You will be able to hear the lions roar as you sail from tree to tree suspended by rope from beginner to challenging courses available to keep you guessing. Drop into the zoo café which offers scenic river views of the zoo from their deck.
- Before you leave, head to **Penguin Head Lookout** to spot the wildlife. From May through to November you might even spot our humpback whale migration making their way to Antarctica, lots of local seals also gather here to sunbake. This vantage point viewing platform showcases a seascape that stretches all the way to Shoalhaven Heads in the north and Currarong in the south.
- Head over to **Lake Wollumboola** for the afternoon, a coastal lake that is a haven for thousands of migratory and local birds. It offers stunning views across the lake as well as a picnic area, gas barbeques, playground, toilets, lookout, and interpretive educational signage.

*It is time to hit the road and as the ocean gets smaller in the review mirror, you will be listening to the pestering of your kids asking about when the next family trip to Culburra Beach will be...*
