Volunteers must wear clothing that covers their shoulders and a cap to cover head. Baseball hats are acceptable. Tank tops are not. Food service gloves must be worn when handling any and all food. Hand washing must be done frequently. It works well when one volunteer handles collection of all money and another volunteer handles the food preparation. Order at one window, pick up at the other. Pop and ice must be monitored throughout the day depending on the weather. Those that begin at 10 am are advised to arrive about 15 minutes early. Those that close at 10 pm should be advised that closing includes cleaning the wagon, putting away all food and beverages and prepping for the next morning.

Sno Cones are made depending on the weather conditions. The number of Grand Stand volunteers is dependent on the event being held. Popcorn can be started in the morning and boxed so that it is ready for the grand stand event. This is only done when 100 boxes are needed. Grand stand volunteers are expected to work the grand stands. This includes walking up and down selling products. Not sitting down and watching the event. Do not sign up for this just to get into the event for free and then to sit and not sell.

The ////////////// on the schedule means there is not an open time slot. The shifts marked in blue with [//////////](#) are now last to be filled since we need to fill the main shifts first.

Please do not sign up for that.

Grand stand volunteers requires 3.

This may be modified depending on the event schedule to include a total of 4. No more than 4. A grandstand volunteer may also make and sell sno cones to the public on the midway.

Food served to the public includes, hot dogs, nachos, polish sausage with sauerkraut, pickles, bagged chips, chili for nachos or hot dogs, pop in cooler.

Thank you!
