

# Strategic Event Brief: Q4 2014

## NSH

Dako, an Agilent Technologies Company will take part in the NSH Symposium/Convention (National Society of Histotechnologists) August 24 – August 26 in Austin, Texas.

At the convention, we will demonstrate our full portfolio of integrated pathology solutions including IHC, ISH, histostaining and connectivity

In the Fluorescence Microscopy room, the customers will be able to see the quality of Agilent's High Resolution SureFISH Probes (ASR), and of course Dako's quality reagents and pharmDx™ kit HER2 IQFISH pharmDx™.

We will also showcase Agilent's Automated Liquid Handling Platform Bravo.
