Once costs are finalised (which could be months later) differences can be recorded in the Scheme Comment on the system.</i></p> <p><i>Data should be kept up to date and accurate at all stages of development, so far as is reasonably practicable.</i></p> <p><i>CFG - Programme Management - Scheme administration and data collection – section 3</i></p>

7	<p>For owned and leased properties, has the provider obtained secure legal interest in the name of the grant recipient, as defined in the grant agreement / CFG (Finance – 3.1)? For Strategic Partnerships, the provider must obtain secure legal interest before the Site is made active in the system. If no, please provide details.</p> <p><u>Auditor notes</u></p> <p><i>For owned properties: Check exchange/completion dates of purchase contracts.</i></p> <p><i>Check for solicitor based evidence that; completion has taken place at the agreed sum and confirmation is dated post completion. 	<p><i>For lease and repair properties, ensure the lease covers a minimum five year term.</i></p> <p><i>Was a lease signed on agreed terms before first grant claim? If not, confirm in comments section if there was a legally binding letter confirming agreement to lease.</i></p> <p><i>For Empty Homes, ensure grant recovery rules fully applied and check that solicitor has confirmed a grant recovery mechanism within the lease.</i></p> <p><i>Please note that, where the first grant claim is an acquisition tranche, the provider will need to have the freehold or long leasehold interest, not merely a conditional interest, prior to drawing down grant.</i></p> <p><i>CFG - Finance - Grant Claims and Payments - 3.1 (Includes guidance as to the definition of secure legal interest and provisions covering where Providers do not own the land)</i></p>
8	<p>Does the land/property have either of the following</p> <ul style="list-style-type: none"> • 'good title' as defined in the CFG (Procurement and Scheme Issues, 5.3); or • defective title indemnity insurance in favour of the grant recipient, with a limit of indemnity equal to at least firm scheme grant for the site? <p><u>Auditor notes</u></p> <p><i>Checks to include freehold, leasehold and any empty homes.</i></p> <p><i>Check solicitor's report on title or lease if one has been prepared, and a copy of the Land Registry extract.</i></p> <p><i>Please note that, where an acquisition grant claim is being made, the provider must have either the freehold or long leasehold interest prior to drawing down grant. If contract dates do not reconcile, record detail and reason.</i></p> <p><i>Homes England requires assurance that the contractor has entered into a legally binding contract covering whole of the works required for the development. Therefore a letter of intent, even where it creates a legal obligation to carry out part of the works or works up to a particular value, is not acceptable.</i></p> <p><i>Where the building contract is signed by a legal entity other than the grant recipient, for example a development company, this may be acceptable where the entity is a wholly controlled subsidiary. The IA should establish whether the grant recipient has sufficient oversight of the entity's board and control over its business decisions.</i></p> <p><i>Please note that, where the first grant claim is an acquisition tranche, the grant recipient will need to have the freehold or long leasehold interest, not merely a conditional interest, prior to drawing down grant.</i></p> <p><i>CFG – Finance – Grant claims and payments – 3</i></p>
10	<p>Is/was adequate insurance in place to cover the scheme / site for the full cost of the works during development?</p> <p>Please provide full details of the insurance arrangements and clarify the adequacy of the arrangements for Grant recipient and/or Build contractor.</p> <p><u>Auditor Notes</u></p>

	<p>Arrangements such as a group insurance that covers a portfolio value rather than specific property may be sufficient, where they provide adequate insurance cover for the Full Replacement Value.</p> <p>Where the provider is a developer and isn't retaining ownership, the Deed of Adherence means that this question can be answered by the landlord.</p> <p>Homes England expects the insurance arrangements to cover all of the required circumstances set out in the CFG.</p> <p>CFG – Procurement and Scheme Issues – Scheme types and requirements - 3.4</p>
