

# CONTINUOUS IMPROVEMENT PDCA FORM

SCHOOL NAME: \_\_\_\_\_

DAAC MEMBER: \_\_\_\_\_

**Plan-Do-Check-Adjust:** The PDCA cycle is a four-step model that provides structure and discipline for our improvement efforts.

1. Plan - Identify purpose and goals. Define measure of success. Plan the improvement.
2. Do - Carry out the plan.
3. Check - Review and evaluate the results.
4. Adjust - Integrate the lessons learned into the next version of the plan.

P	<p>Explain your three Major Improvement Strategies.</p>  <p>Who helped develop your improvement plan?</p>
	<input type="checkbox"/> Does Not Meet My Expectations <input type="checkbox"/> Meets My Expectations <input type="checkbox"/> Exceeds My Expectations
D	<p>What is your school doing to improve student achievement?</p>
	<input type="checkbox"/> Does Not Meet My Expectations <input type="checkbox"/> Meets My Expectations <input type="checkbox"/> Exceeds My Expectations
C	<p>How will you measure progress along the way?</p>  <p>What do you hope to share with the DAAC members and Board of Education about your results at the end of the school year?</p>
	<input type="checkbox"/> Does Not Meet My Expectations <input type="checkbox"/> Meets My Expectations <input type="checkbox"/> Exceeds My Expectations
A	<p>How is this different than last year?</p>
	<input type="checkbox"/> Does Not Meet My Expectations <input type="checkbox"/> Meets My Expectations <input type="checkbox"/> Exceeds My Expectations
