

**CLINICAL PATHOLOGY
LABORATORIES**

Client Communication

4275 Burnham Avenue, Suite 325, Las Vegas, NV 89119

Issued March 2008

CPL is now accepting your patients in need of laboratory testing due to the recent investigation of the Endoscopy Center of Southern Nevada.

The Southern Nevada Health District has recommended the following tests for your Endoscopy Center patients:

CPL Panel Code	Initial Testing Includes	Reflex Testing
9327	Hepatitis B Core Antibody, Total (2730) Hepatitis C Antibody (4676) HIV 1 & 2 EIA Antibody Screen (3540)	Reflex testing for positives will automatically occur based on the tests listed on the Southern Nevada Health District Technical Bulletin on Feb. 27, 2008

(702) 933-4522

Thank you for supporting Clinical Pathology Laboratories, Inc.
