HISTORICAL STATEMENT

Blinn College, the Junior College District of Washington County, is located in Brenham, Texas, and serves a 13 county service area with campuses in Bryan, Sealy and Schulenburg. The school was founded in 1883 by the Southern German Conference of the Methodist denomination under the name of Mission Institution. In 1889 the name was changed to Blinn Memorial College in honor of the Reverend Christian Blinn of New York who had donated a considerable sum of money to make the school possible. The institution was originally founded for the purpose of training young men for the ministry, but in the course of time, to meet the demands of the public, academic courses were added. After operating for five years as an institution for men only, Blinn College was made coeducational in 1888. Until 1927 the school was of academy rank. In 1927 the Board of Trustees, under leadership of President Philip Deschner, organized a junior college. In 1930 the school was merged with Southwestern University (Georgetown, Texas). In 1934, a new charter was procured by the citizens of Brenham, and a private nonsectarian junior college, under the name of Blinn College, was organized with nine regents as the board of control. In February, 1937, all connection with Southwestern University and the Methodist denominations were severed. An election held in Washington County on June 8, 1937, for the purposes of creating a public junior college district and for levying a small tax, was successful. Blinn thus became the first county-owned junior college district in Texas. The college continues to operate as one of the largest of the state's 50 public junior/community college districts.

Employee Conference

Employees are hired to succeed and success many times depends upon communication. The Employee Conference form is designed to facilitate communication. Its purposes are for commendation, counseling, employee complaints, disciplinary action, termination, or other. The conference can be a positive statement initiated by either employee or supervisor, or it may be a progressive discipline statement initiated by the supervisor. If counseling does not result in success, the employee may be further disciplined or terminated, according to the actions stated in the progressive discipline.

The employee and supervisor are asked to sign this form to show that communication has taken place. If the employee refuses to sign, a third party will be asked to witness that the information was presented to the employee.

Employee Complaints

Blinn College Board Policy ([DGBA](#)) provides a timely and orderly process for the resolution of employee complaints. The Board intends that, whenever feasible, complaints be resolved at the lowest possible administrative level. (See Employee Conference.)

TRS provides three basic benefits: survivor and death benefits, disability benefits, and retirement benefits. Service benefits vest with the member after five years of participation.

Under ORP, employees contribute an amount equal to 6.65% of their salary and the state contributes an amount equal to 6.6% of their salary. Contributions may be deposited with an approved insurance, annuity, or regulated [Investment Company](#) as designated by the participant. Pro-Rating Sick Leave, Vacation Leave, and Personal Leave

Sick leave and vacation leave will be pro-rated for incomplete accrual periods. In some cases, this may affect the final paycheck for a terminating employee. Some restrictions may also apply to personal leave if the employee starts working late in the benefit year.

Absences and Sick Leave

Sick leave provides paid time off for illness or injury, including physical disability due to childbirth, when the medical condition of the employee prevents the performance of the employee's regularly assigned duties. Sick leave may also be used in cases of illness or injury of the employee's spouse, children, grandchildren, grandparents, mother, father, mother-in-law, or father-in-law.

Full-time employees earn eight hours of sick leave per month of contract or anticipated employment up to a maximum of 600 hours. New employees will receive credit for sick leave purposes for their first month of employment only if they come to work the first working day of that month.

Sick leave ceases upon termination of employment. No compensation or time off is provided for unused sick leave.

Sick Leave Pool

The administration established the College District's Sick Leave Pool (SLP) to provide additional paid sick leave for employees who have exhausted their own available sick, vacation, discretionary, and personal leave time as a result of a catastrophic illness or injury. Current and retiring/ resigning employees may donate unused sick leave hours, which then become available to qualifying employees.

Full Guidelines for [Sick Leave Pool](#) can be found in the Blinn College Administrative Regulations Manual. SLP request and donation forms can be found on the Human Resources webpage. Please contact the Human Resources office if you have any questions.

Vacation for Twelve Month, Salaried Employees

Only 12-month salaried employees are entitled to paid vacation.

Vacation days are earned at a rate of 8 hours for each complete month worked for a total of 96 hours per year. Eligible employees are credited with the total annual vacation at the beginning of each fiscal year (September 1). Example: An employee earning vacation at a rate of 8 hours per month will receive 96 hours in September for the upcoming year. The initial/beginning vacation balance for employees hired during the fiscal year will be pro-rated based on the number of months remaining in the fiscal year.

New employees will receive credit for vacation purposes for their first month of employment only if they come to work the first working day of that month. Otherwise, for calculations of vacation hours, the first working day of the next month will be used. An employee who terminates employment will receive credit for the final month of employment if the last day worked is on or after the 15th of the month. Vacation time is not earned during absences without pay.

Before any vacation is taken, a Leave Request form must be completed by the employee and approved in advance by the employee's supervisor, based on business needs. The employee's supervisor has the right to deny any vacation time leave requests for any particular time that he/she believes will materially conflict with critical duty times. The employee is then responsible

for entering leave hours via the online Banner system. Employees may take vacation hours prior to having earned them, (subject to approval of their supervisor); however, they do so with the understanding that terminating employment prior to the end of the fiscal year will result in any unearned vacation time taken to be deducted from his or her last paycheck.

Upon resignation or termination, paid vacation time will be computed on a pro-rata basis.

Carry Over Days

Employees are credited with 96 vacation hours each fiscal year and are allowed to carry over 48 hours of accrued, but unused vacation hours from one fiscal year to the next (September 01 through August 31), to equal a potential maximum of 144 eligible vacation hours per fiscal year. Any accrual of vacation in excess of the 48 hours allowed shall be lost at the end of the fiscal year (August 31) and will not be paid by the college.

Discretionary Time

In order to promote the highest levels of customer satisfaction, it is the desire of Blinn College to operate year-round from 8am to 5pm, Monday through Friday.

Discretionary time is a benefit which allows full-time, 12-month employees additional time off without changing the hours of operation or causing any undue departmental stress. Discretionary time is given to full-time, 12-month employees in addition to Vacation, Sick, Personal, Holiday, and other time off allowed by statute or policy.

Discretionary time is credited at the beginning of each fiscal year (September 1) at 40 hours per year to each full-time, 12-month employee. New employees will receive credit for pro-rated discretionary time their first month of employment only if their first working day is the first day of the month. Otherwise, for pro-rating discretionary time, the first day of the next month will be used.

Unused discretionary time may not be carried over from year-to-year (fiscal year, September 1 through August 31). No compensation or time-off is provided for unused discretionary time. Upon termination of employment, unearned discretionary time taken will be deducted from the employee's last paycheck.

Discretionary time can be used any time during the year and is allowable in no less than one-hour increments.

Before discretionary time can be taken, a Leave Request form must be completed by the employee and approved in advance by the employee's supervisor, based on business needs. The employee's supervisor has the right to deny any discretionary leave requests for any particular time that he/she believes will materially conflict with critical duty times. Once approved, employees are responsible for entering leave hours into the online Banner system.

Holidays

Holidays for the upcoming school year are posted each summer. Salaried employees will receive pay for those holidays, if employed immediately prior to and immediately following the holiday and in accordance with applicable contracts.

Personal Leave

All full-time salaried employees may be granted up to 16 hours of personal leave with pay, beginning each fiscal year (September 1) for the purpose of conducting necessary personal business which cannot be transacted before or after school hours or on the weekend.

Personal business may be defined as, but not limited to, legal or business proceedings, funerals of family and friends, illness within the immediate family, and personal illness and pregnancy in the absence of accrued sick leave. Personal leave is not intended to increase vacation or holiday time and each employee is expected to exercise professional judgment in applying for this leave. It is granted at the discretion of the college.

Before personal leave can be taken, a Leave Request form must be completed by the employee and approved in advance by the employee's supervisor, based on business needs. The employee's supervisor has the right to deny any personal leave requests for any particular time that he/she believes will materially conflict with critical duty times. The employee is responsible for entering leave hours into the online Banner system. Unused personal leave may not be carried over from year-to-year. No compensation or time off is provided for unused personal leave. Upon termination of employment, unearned personal leave time taken will be deducted from the employee's last paycheck.

Funeral Leave

All regular full-time employees may use up to three days of available sick leave per occurrence when there is a death in the immediate family. Employees are to notify their immediate supervisor or vice chancellor as soon as possible of said leave. Approval by the college chancellor is required for the use of additional sick leave for funerals in excess of the three days. Immediate family is defined to include spouse, parents, children, brothers, and sisters, grandparents, grandchildren, step-parents, step-children and mothers-in-law, fathers-in-law, sons-in-law, and daughters-in-law.

Family and Medical Leave Act

Blinn College will provide as much as 12 weeks of unpaid leave after childbirth or adoption or to care for a seriously ill child, spouse, or parent, or in case of an employee's own serious illness or if a child, spouse, or parent is called to active duty status in the National Guard or Reserves. In situations where an employee must care for a covered service member who sustained serious injury or illness, up to 26 weeks of unpaid leave will be provided. Employees will return to the same or comparable job. Employees must have worked at least one year and have at least 1250 hours of service during the previous 12-month period. A doctor's certification and/ or reasonable intermittent statements must be obtained. The employer may require a second medical opinion and may deduct all paid leave from this time. Thirty days' notice for foreseeable leave must be given. Employees may visit the Human Resources webpage for more information on Family and Medical Leave Act. The effective date of this law is January 16, 2009.

Insurance

Full-time higher education employees are eligible for the Employees Group Benefits Program (GBP). Your enrollment and that of any eligible dependents in health insurance will become effective on the first of the month following a 60-day waiting period. Optional coverage will begin with the initial period of eligibility. The initial period of eligibility is the first 31 calendar days of employment. During this period employees can enroll themselves and eligible dependents in the following optional coverage: dental, optional term life with AD&D (employee only), dependent term life with AD&D, voluntary AD&D, and disability income (employee only). HealthSelect is the health care program available to all eligible employees.

After the initial period of eligibility, enrollment restrictions may apply. Double state coverage is not permitted either as a dependent or as an employee.

Tax Saver Spending Accounts (Tex Flex, or Reimbursement Account)

A TexFlex flexible spending account (FSA) allows you set aside money from your paycheck, pre-tax, to pay for eligible out-of-pocket health, dependent care and commuting expenses. You can contribute to a health care and/or day care account.

Tax Deferred Plans

Eligible employees may purchase tax deferred plans with a portion of their salary. The employee's contributions are deposited with an approved company of the employee's selection and are not currently taxed as income to the employee.
