

## Attendance Tracker

Tracks attendance throughout each game/practice. This will include any players, coaches, and spectators that watch for an extended period of time. You are not responsible for casual park users.

Please use the forms below to keep track of your attendance. ALL teams are to submit to [lfafields@gmail.com](mailto:lfafields@gmail.com) upon completion of activity.

The Attendance Tracker must ensure that attendance sheets are submitted to the Attendance Coordinator at the completion of each softball activity. This information will only be provided to an authorized health authority or local government representative who has the legal right to obtain such information, or to Softball BC staff for the purpose of contact tracing in the event of an outbreak of COVID-19. All records are to be destroyed after the 90-day period. Attendance may be tracked either on paper or electronically.

## Screener

The Screener will be responsible for pre-screening of all participants and spectators attending a Facility (this does not include casual park users or others attending the Facility for purposes other than softball, only those who are attending the softball activities). Before any individual is allowed to go onto the diamond, or engage in either softball activities, or to be there as a spectator, they must be screened to determine if they are permitted entry. These questions must be answered by everyone and if they give a positive answer to any of the following questions, that person must be instructed to either return home, or to seek medical attention, but they are not allowed to attend the scheduled softball activities.

### **Screening questions are:**

- Are you exhibiting any symptoms of COVID-19 (fever, dry cough, chest or respiratory pain?)
- Has any member of your household exhibited any symptoms of COVID-19 within the last 14 days?
- Have you or any other member of your household arrived from outside Canada in the past 14 days?
- Do you agree to 100% comply with the Host association's specific Return to Play guidelines including but not limited to, spectating (allowed or not allowed), social distancing, and sanitation rules?
