### FIRST Grade Check:

1. **Divide** TOTAL EARNED POINTS by TOTAL POSSIBLE POINTS to get your current average in this class: \_\_\_\_

2. **Check one:** My grade in this class, so far, is:

☐ A ☐ B ☐ C ☐ D ☐ F ☐ Pass ☐ No Pass.

Today's date: \_\_\_\_.

**On a separate sheet, answer the following questions:**

3. Review your goal for your grade in this class. How does your current grade compare?

4. What choices are helping you progress toward your learning and your goals in this class? Be specific and give examples.

5. What new choices can you make in order to improve your learning and progress toward your goals in this class? Remember that Victims blame, complain, make excuses and keep doing the same things expecting different results. Creators seek solutions, take action, and try something new. Be specific and give examples of the Creator choices you will make.

**If you are not currently passing this class, make an appointment immediately with the instructor to discuss your progress!**
