Price Increase Notice

Dear Valued Customer,

Thank you very much for your continued patronage of our products.

This letter serves as a notice regarding price increase NTT-AT will put into effect starting April 1<sup>st</sup>, 2022 for our optical connector cleaners. This increase is directly related to the continuing escalation in production cost and materials. Please contact your distributor for the revised price.

We will continue to strive to further improve the quality of our products and services. We appreciate your understanding on this matter.

Best Regards,

Memo
