

# CITY OF PANAMA CITY BEACH

## To the Beach Community,

I'd like to wish each of you a Merry Christmas and Happy New Year!

The holiday season might not be the busiest time of year on the beach, but it is by far the best season as we are able to slow down and regroup for the new year. Christmas allows us to become aware of our many blessings, as we reflect on the past and look forward to a new year filled with promise.

I have thoroughly enjoyed serving as Mayor of Panama City Beach over the last four years. Our community is a strong one in many, many ways and the beach has seen steady growth. Our community has prospered and is a great place to live, work and do business.

I wish all of you continued happiness and success in the new year.

**With Warmest Regards,**

**MIKE THOMAS**
