DEPARTMENT OF RESIDENT LIFE

10 Session Study Plan

Based on the content you provided above, break down your study content into topical 10 areas.

Session 1 Date to Study _____

Topic of Study _____

How will you study this content?

Where will you study this content? _____

What materials do you need to bring with you to thoroughly study this topic?

At the end of this session, create review material to go over 1-2x each week prior to exam.

Post Session - Do you fully understand the topic you covered or do you need to revisit the content later?

Circle One I understand I need to revisit I need to talk to a TA/ My professor

Session 2 Date to Study _____

Topic of Study _____

How will you study this content?

Where will you study this content? _____

What materials do you need to bring with you to thoroughly study this topic?

At the end of this session, create review material to go over 1-2x each week prior to exam.

Post Session - Do you fully understand the topic you covered or do you need to revisit the content later?

Circle One I understand I need to revisit I need to talk to a TA/ My professor

DEPARTMENT OF RESIDENT LIFE

Session 3 Date to Study _____

Topic of Study _____

How will you study this content?

Where will you study this content? _____

What materials do you need to bring with you to thoroughly study this topic?

At the end of this session, create review material to go over 1-2x each week prior to exam.

Post Session - Do you fully understand the topic you covered or do you need to revisit the content later?

Circle One I understand I need to revisit I need to talk to a TA/ My professor

Session 4 Date to Study _____

Topic of Study _____

How will you study this content?

Where will you study this content? _____

What materials do you need to bring with you to thoroughly study this topic?

At the end of this session, create review material to go over 1-2x each week prior to exam.

Post Session - Do you fully understand the topic you covered or do you need to revisit the content later?

Circle One I understand I need to revisit I need to talk to a TA/ My professor

DEPARTMENT OF RESIDENT LIFE

Session 5 Date to Study _____

Topic of Study _____

How will you study this content?

Where will you study this content? _____

What materials do you need to bring with you to thoroughly study this topic?

At the end of this session, create review material to go over 1-2x each week prior to exam.

Post Session - Do you fully understand the topic you covered or do you need to revisit the content later?

Circle One I understand I need to revisit I need to talk to a TA/ My professor

Session 6 Date to Study _____

Topic of Study _____

How will you study this content?

Where will you study this content? _____

What materials do you need to bring with you to thoroughly study this topic?

At the end of this session, create review material to go over 1-2x each week prior to exam.

Post Session - Do you fully understand the topic you covered or do you need to revisit the content later?

Circle One I understand I need to revisit I need to talk to a TA/ My professor

DEPARTMENT OF RESIDENT LIFE

Session 7 Date to Study _____

Topic of Study _____

How will you study this content?

Where will you study this content? _____

What materials do you need to bring with you to thoroughly study this topic?

At the end of this session, create review material to go over 1-2x each week prior to exam.

Post Session - Do you fully understand the topic you covered or do you need to revisit the content later?

Circle One I understand I need to revisit I need to talk to a TA/ My professor

Session 8 Date to Study _____

Topic of Study _____

How will you study this content?

Where will you study this content? _____

What materials do you need to bring with you to thoroughly study this topic?

At the end of this session, create review material to go over 1-2x each week prior to exam.

Post Session - Do you fully understand the topic you covered or do you need to revisit the content later?

Circle One I understand I need to revisit I need to talk to a TA/ My professor

DEPARTMENT OF RESIDENT LIFE

Session 9 Date to Study _____

Topic of Study _____

How will you study this content?

Where will you study this content? _____

What materials do you need to bring with you to thoroughly study this topic?

At the end of this session, create review material to go over 1-2x each week prior to exam.

Post Session - Do you fully understand the topic you covered or do you need to revisit the content later?

Circle One I understand I need to revisit I need to talk to a TA/ My professor

Session 10 Date to Study _____

Topic of Study _____

How will you study this content?

Where will you study this content? _____

What materials do you need to bring with you to thoroughly study this topic?

At the end of this session, create review material to go over 1-2x each week prior to exam.

Post Session - Do you fully understand the topic you covered or do you need to revisit the content later?

Circle One I understand I need to revisit I need to talk to a TA/ My professor
