

LEGAL DEPARTMENT

Strategic Business Plan

Mission Statement

The mission of the Legal Department is to provide legal, risk, and compliance services to City Council, the City Manager, and all organizational units of the City, so the public will be confident that City government is protecting valuable resources and operating ethically, effectively, efficiently, and transparently.

Issue Statements

Issue 1 – The lack of legal compliance to internal rules and City policy by City Departments, if not addressed will result in:

- Increased liability exposure
- Loss of community and employee trust, confidence, and credibility
- Loss of professional licenses
- Loss of self-insured status
- Reduction in City bond rating
- Fines by other agencies

Issue 2 – The increasing responsibilities and expectations of the Legal Department, coupled with status quo staffing and resources, if not addressed will result in:

- Increased risk and legal exposure
- Untimely responses to the public
- Ineffective oversight
- Increased outsourcing costs
- Inability to hire and retain qualified employees
- Inefficiencies in operations

Issue 3 – The lack of focus on education of ethical standards by departments, if not addressed will result in:

- Negative impact on department budgets
- Loss of employee morale
- Loss of public trust
- Misuse of public funds
- Negative impact of the organization's ethical culture

Issue 4 – The lack of mandatory, effective, and substantial training for City leadership and in all departments, if not addressed will result in:

- Increased liability exposure
- Loss of community trust
- Decreased efficiency in operations
- Increased Worker's Compensation claims and costs
- Inaccurate information provided to the community
- Inability to respond to unexpected circumstances and disasters
- Higher employee turnover

Strategic Results

Strategic Result 1 – Risk Mitigation

City of Las Cruces employees, supervisors, and policy makers will be able to minimize risk and potential hazards, and formulate policy, rules and regulations that will foster safe working environments and protect employees, the public, and public resources, as evidenced by:

- By 2019, the Department will work with the Office of Management and Budget to develop and implement a comprehensive self-insured funding strategy.
- By 2022, a comprehensive risk mitigation training program for supervisors and above will be developed.
- By 2022, we will present to the City Manager Policy Committee, a policy regarding the comprehensive risk mitigation training program for supervisors and above.
- By 2023, 90% of identified supervisors will have successfully completed risk mitigation training.

Aligned with Issue Statements: 1, 3, 4

Aligned with City Council's Strategic Plan: 1, 7, 14, 18

Strategic Result 2 – American With Disabilities Act (ADA)

The City of Las Cruces will meet or align with federal or state ADA requirements for new development or construction, as evidenced by:

- By 2023, All ADA compliance issues will be identified within all existing city facilities built prior to 2019.

Aligned with Issue Statements: 1, 4

Aligned with City Council's Strategic Plan: 1, 2, 4, 7, 12, 14, 15, 16, 18, 19, 20

Strategic Result 3 – High Performing Legal Department

The community will experience a high-performing, customer-focused, and results-oriented City of Las Cruces Legal Department, as evidenced by:

- Beginning in 2019, all Legal Department employees will know what is expected of them and how they align and contribute to the goals of the Department. This will be evidenced by aligning their work plans and performance conversations with the Department Strategic Business Plan.
- By 2019, 75% of City of applicable Las Cruces departments will respond positively when surveyed and asked if the Department assisted them in furthering their mission.
- By 2023, 20% or more of property loss recoveries will be utilized to fund a claims adjuster position.
- By 2020, 80% of Board/Commission members will report that they receive the information they need to make informed decisions.

- By 2024, 90% of known property losses will be recovered by a claims adjuster.
- By July 1, 2021, the City of Las Cruces will have a Worker's Compensation Reserve Fund that is funded to meet New Mexico Worker's Compensation Administration requirements.

Aligned with Issue Statement: 1,2

Aligned with City Council's Strategic Plan: 6, 14, 18

Strategic Result 4- Government Accountability

The community will experience responsive, ethical, and efficient City services, as evidenced by:

- By 2022, 80% of the annual audit plan will be completed by the end of the fiscal year.
- By 2021, Las Cruces will have a comprehensive records management system to provide efficient retrieval and maintenance of public records.
- By 2022, 75% of City employees surveyed will report that they agree or strongly agree that they work in an ethical climate.

Aligned with Issue Statement: 1,2,4

Aligned with City Council's Strategic Plan: 1, 14
