

Paragraph Outline

Title: Always make sure there is one ☺

Topic sentence: This is the first sentence of the paragraph and tells me your main point (your topic and stance or opinion on that topic). This can be the who, what, where, when or how or your topic.

Three main ideas: You need to have three examples or supporting ideas that will support your topic sentence.

Concluding sentence: This sentence restates your main point (same as your topic sentence but not the exact same words).
