[Student 1] In this episode we're going to share some writings and reviews from "The 826Chi Compendium Volume 5",

[Student 2] The Compendium Volume 5 was published in 2016 with a forward by Dave Eggers.

[Student 3] It includes stories, poems, and even haikus from students in 1st grade through 12th grade.

[Student 1:] Because this volume includes writing from students as young as 6 to young adults as old as 18

[Student 2:] the theme that emerged from the writings was

[All at the Same Time] GROWTH.

[Student 3:] The start of the collection begins with the writing of a 1st grader

[Student 1:] and ends with the writings of a 12th grader.

[Say it again, all together] GROWTH.
