## Recycle Price Increase

12/15/2019

As many of our customers are probably aware, the cost of disposal for recycling has increased dramatically. Just in the past year the cost of recycling at the recycle center in your area has increased by 222% which takes effect January 1<sup>st</sup>. Due to this inflation effective January 1<sup>st</sup>, 2020 Waste Pro will be charging \$14.00 per month billed out quarterly. If you choose to opt out of the recycling program you must contact our office at 504-392-4619 or email us at **LAcustomerservice@wasteprousa.com**

We are sending out this notice in advance to all of our customers in your area so that you have an opportunity to decide if you will continue to recycle or cancel your recycling subscription in enough time to avoid being billed for the service.

Thank you for your continued support and look forward to providing you and your community with service for years to come.

Sincerely,

Jesse Murphy
