### **Some people ask us, “Is it better to have MORE less-expensive toys, or FEWER high-quality toys?”**

Our recommendation is FEWER high-quality toys, so the child will have a present that lasts longer and they can hopefully enjoy for many months, even years. Toy donations are so appreciated and create delight and magic on Christmas morning. Parents select each toy in person, ensuring every child receives a present for which they've truly been wishing and hoping. Thanks to your donations, each child vetted and approved for the Santa Shop will receive 1 high-quality toy, 1 “budget” toy, 1 game or puzzle, 1 book, 1 stuffed animal, 3 little stocking stuffers, and 1 NEW clothing outfit OR 1 NEW jacket.

***For some children, this may be the only new toy or article of clothing they've ever had.***

***Thanks for making the Santa Shop come alive for these children!***

***Sincerely, The Deep Well Project Santa Shop Elves***
