

# Liberty-Eylau High School Fall 2021- 2022 Back-to-School Plan

Liberty-Eylau High School has developed a plan to deliver quality education during the upcoming 2021-2022 school year while ensuring the health and safety of our students, families, and staff. With this in mind, all students will receive face-to-face instruction in a traditional school setting, with appropriate safety precautions in place.

## **Arrival/Dismissal**

### **Arrival:**

Beginning at 7:30 am, students will go directly to their 1st period class when they arrive at school. Teachers will be in their classrooms no later than 7:30 am.

#### **Bus Drop-Off:**

The location for bus drop off will remain the turn around by the football field.

#### **Car Rider Drop-Off:**

Students will need to be dropped off on the campus closest to their 1st period class

### **Dismissal:**

**Bus:** Students will be dismissed at the end of the day to the bus turn around for bus riders.

**Car Riders:** Car riders will be dismissed to the parking closest in proximity to their last period class.

**Breakfast:**

Grab-and-go breakfast stations will be placed at various locations on campus so students can get breakfast which will be eaten in the classroom.

**Lunch**

While students will be able to visit and interact during lunch-time, we will continue to emphasize proper hygiene, such as hand washing, covering coughs and sneezes, and encouraging students and staff to remain home when sick. LEHS will continue to have a closed lunch to visitors. All lunch guidelines are subject to change depending upon updates to CDC guidelines as well as district response to COVID-19 data.

**Bus Transportation**

Because recommended social distancing standards are nearly impossible to maintain on school buses, parents/guardians who wish to transport their children to and from school are encouraged to do so. Masks will be available to students while riding the bus. Each bus will be disinfected following each trip, and hand sanitizer will be available to students. We encourage parents to continue to monitor their student's health prior to sending them to school.

**Transitions**

The High School will follow a Block Schedule to minimize movement throughout the school day.

**Attendance**

Attendance for high school students will be taken daily. Per Texas Education Code (TEC), §25.092, students must attend 90% of the days a course is offered in order to be awarded credit for the course and/or promoted to the next grade. The 90% attendance rules will be the minimum requirement for all students to receive credit. This requirement remains in force during the 2021-22 school year.

**Instructional Delivery in the Event of School Closure**

Should the district transition to school closure/virtual learning due to changes in COVID recommendations, **Google Classroom** will be utilized for both instructional delivery and assignment submission. All students and teachers should be proficient in the use of **Google Classroom**.
