## Montgomery College Project Management Certificate Program

The Montgomery College Project Management Certificate is designed for students looking to enter a new career field, expand/hone their project management skills with the latest practices, or those that want to gain new skills. This program will help students develop the technical and interpersonal skills needed to successfully manage projects on time, on budget, and within scope utilizing both predictive (traditional) and agile methodologies.

Students must complete and pass the program within two (2) calendar years of starting the program in order to be eligible for the *Montgomery College Project Management Certificate*

---

## CAPM® Exam Preparation

The Certified Associate in Project Management (CAPM)® certification is designed for individuals looking to get into project management, entry level project managers or those with less than 3 years' of project management experience. A CAPM® Certification can help you move forward in a career in project management and get you on the path towards potentially obtaining the PMP®.
