

## Puppy Contract

After puppies are born a deposit in the amount of \$200 is due in order to reserve a Lauden Lab puppy. A deposit in this amount is due within 7 days of notifying the breeder you will be placing a deposit on a puppy. If the deposit is not received by breeder in the amount of time given to purchaser, the breeder may offer the puppy to another buyer.

On this date, \_\_\_\_\_, Lauden Labs received \$ \_\_\_\_\_ as a non-refundable deposit on a \_\_\_\_\_ (color), \_\_\_\_\_ (breed), and \_\_\_\_\_ (gender) puppy. The deposit will hold the puppy until it has been weaned and is ready for pick up at 8 weeks of age on \_\_\_\_\_ (date). Under no circumstances may a puppy be picked up prior to the 8 week mark due to Pennsylvania puppy laws. If the remaining balance of \$ \_\_\_\_\_ is not paid within 3 days from notification of pups 8 week availability, Lauden Labs may offer said puppy to another owner without any further obligation to buyer placing this deposit. Balance at pick up must be paid either by cash or check. Other arrangements can be made to pick up a puppy at a later date at an extra charge of \$10/day.

Prior to pick-up the puppy will have vaccination with Happy Jack Wormer at weeks 2, 3, 4, 6, & 8 weeks, Safe-guard (fenbendazole) dewormer at 7 weeks for 3 days straight, and Canine Distemper-Adenovirus Type 2-Parainfluenza- Parvovirus Vaccine at 6 weeks. On the day of pick up the breeder will provide all vaccination history of the specific puppy being purchased including vaccination, date given, weight, and administrator's signature. All other vaccinations will be the responsibility of the new owner following the date of pick up.

Puppies will be receive a full physical examination including: general appearance, integumentary, musculoskeletal, circulatory, respiratory, digestive, genitourinary, eyes, ears, neural system, lymph nodes, and mucous membranes done by our veterinarian, Dr. Joy Lenker of Great Creatures Veterinary Services no earlier than 10 days prior of purchase. If Dr. Lenker finds abnormalities during the administration of the puppies physical examination, the breeder will notify purchaser as soon as possible. A copy of this Veterinarian Health Examination will be provided to purchaser the day of pick up.

All puppies purchased through Lauden Labs come with a 30 day health guarantee. Within 10 days of purchasing your new puppy, you must take him/her to a licensed veterinarian for an examination. If the veterinarian determines, within 10 days of purchase, that your dog is clinically ill or had died from an injury sustained or illness likely to have been contracted on or before the date of sale and delivery, you have the following options:

- **Return the dog for a complete refund**
- **Return the dog for a replacement dog of equal value**
- **Retain the dog and receive reimbursement for reasonable veterinary fees, not exceeding the purchase price**

Purchaser will be allowed to visit puppy after two weeks of age during business hours from 7-11 and 4-8 by appointment only. However, puppy selections will not begin until puppies are 6 weeks of age and then they will go in order as deposits were received by breeder. After you have selected your puppy we offer to chip puppies at an additional cost of \$45. This fee covers the price of the chip administered,

administration of chip, lifetime registration of the chip through PetKey. You can learn more about PetKey at [www.petkey.org](http://www.petkey.org). Please call (717) 362-3058 or message Back Road Boarding on Facebook to if you would like to schedule an appointment to visit with the puppies. While visiting please be mindful that we also run a boarding facility and are responsible for the care of many dogs and puppies both of our own and clients. There may also be other clients scheduled at the same time that will also need our assistance.
