

Radiology Medical Student Attendance Sheet

Name: _____ Level (MS2-4): _____
Term: _____ Area of Interest: _____

Direct clinical responsibilities begin at 8am and extend through the completion of the resident lecture; responsibilities include direct reading room observation, participation in relevant interdisciplinary conferences, and attending all provided medical student and resident lectures. The afternoon is reserved for self-directed study, which may entail returning to reading room at your discretion, review of the article-based medical student curriculum on the OHSU radiology department website, or study of referenced texts/online resources.

Form to be completed daily by the medical student and signed by a radiology team member, including residents, fellows or faculty where appropriate. Lecture topics should be recorded. If no lecture is scheduled, please remain in the reading room for that time period and mark "n/a" in the corresponding time slot.

Rotation 1 (Body/Chest/MSK/Neuro): _____

Date	Service Arrival Time	RAD Signature	Departure Time	RAD Signature	MS Lecture Topic	Resident Lecture Topic

Rotation 2: _____

Date	Service Arrival Time	RAD Signature	Departure Time	RAD Signature	MS Lecture Topic	Resident Lecture Topic
