**Michigan State University Model United Nations (MSUMUN) Permission Slip
April 20-22, 2018**

Model United Nations is an authentic simulation of the U.N. General Assembly and other multilateral bodies. A Model U.N. delegate is a student who assumes the role of an ambassador to the United Nations at a Model U.N. event. Anyone can participate in Model U.N., so long as they have the ambition to learn something new, and to work with people to try and make a difference in the world. Model U.N. students tend to go on to become great leaders in politics, law, business, education and even medicine. Model UN promotes student interest in international relations and related subjects, increases the capacity for students to engage in problem solving, teaches aspects of conflict resolution, research skills, and communication skills, and creates the opportunity to meet new people and make new friends.
