Formatting Tips

- **Alphabetical Order:** Arrange all entries in alphabetical order by the author's last name.
- **Hanging Indents:** Use hanging indents for each entry (the second and subsequent lines of each entry are indented).
- **Punctuation:** Pay attention to the punctuation as shown in the examples.
- **Capitalization:** Capitalize titles in a title case for books and articles, sentence case for articles in journals.
- **Consistency:** Make sure the formatting is consistent throughout the document.

This format will help create a clear and organized bibliography that respects academic standards and provides all necessary information to locate and verify each source.
