

## Container Book Report

Due: Friday October 12, 2012

Step 1: Choose a chapter book in your AR level. Make sure it is one you can finish reading by October 12.

Step 2: Read the book.

Step 3: Select a book report container, examples are a paper bag, and oatmeal box, a coffee can, a shoebox, a manila envelope or anything else that might be appropriate.

Step 4: Include 5 things in your container that have a connection to the story. They should be objects or pictures. Decorate your container with the book title, pictures, words ect, that are relevant to the story.

Step 5: Create a 5-word glossary of unfamiliar words from the book. Use the graphic organizer attached. Include the word and definition.

Step 6: Write 5 questions that could be answered by reading the book that you chose. These questions should be a variety of question types. List the question type, your question, and the answer. Refer to blue sheet in data notebook for question types.

Step 7: Complete the AR test on your book and print the results.

Step 8: Present your container and objects to the class on Friday October 12.
