

# Maintenance Medication List.

Effective January 1, 2018

Below is a list of all the therapeutic classes of medications included in home delivery programs. The most commonly prescribed medications are included under each therapeutic class. It is not inclusive of all maintenance medications that may be included in home delivery programs.

The maintenance medication list was determined by taking into consideration chronic, long-term use of a medication, frequency of dose changes and other clinical factors.

If you have questions or are not sure if your medication needs to be filled with OptumRx® home delivery, call Customer Service at the phone number listed on your plan ID card.
