POSITIONAL MEMBER

**\$360**

A positional membership is a NCBA membership paid for by a state government agency. The membership is assigned by the agency to a designated full-time employee position. The membership is tied to that designated position within the agency, not the individual. An individual receiving a positional membership enjoys all the benefits of a regular NCBA member. You qualify for a positional membership if you are employed full-time by a state government agency; licensed in North Carolina; and in good standing with the North Carolina State Bar. A state government agency is defined as an agency, authority, board, commission, council, department, office, institution, constitutional office of the State, the General Assembly, universities, community colleges, the judiciary, and the Administrative Office of the Courts, including district attorneys and public defenders.
