

Google Slides Presentation

Overview:

You are expected to prepare a google slides presentation of exactly **8 slides**. Choose a topic relating to what you learned while viewing the video conference and what you observed during your virtual visitation. To be effective, the **presentation should focus on the stated requirements for each slide**(see a, illustrated through the use of examples from the videos or your virtual visitation. Your slides should be organized and well thought out in order to earn the highest grade possible.

Visual Aids:

You must create one high quality Google Slides presentation. Your slides should have a professional appearance and address what is required in guidelines listed below. You may include pictures of literature or product samples provided by the business you visited virtually to enhance your presentation.

Grading:

There is a **rubric** included in your packet that will be used by the junior initiative committee to evaluate your presentation. Be sure to review it carefully! **The presentation counts for 30% of your grade for this project.** See the next page for suggestions of good presentations.

Due date:

The presentation is due on or before **4/23/21**.

Good Luck!

Suggestions for themes for good Google Slides Presentations:

Working for a large corporation vs. working for a small company:
advantages, disadvantages

Entrepreneurship: what it takes to start your own business
