

Social Security Verification Letter (On-Campus Only)

Steps to Acquiring a Social Security Number

1. Receive an on-campus job offer.
2. Complete the first two sections of this form with your departmental hiring manager or supervisor.
3. If you are a new student at PCC and have not already attended International Student Orientation, you will need to attend orientation and register full-time for your first term *before* the Office of International Student Services (OISS) can complete the Verification Letter.
4. Submit your Social Security Verification Letter to the OISS front desk at your campus. An OISS international student advisor will complete the form and return it to the front desk for pick up within 5 business days.
5. Bring your completed Social Security Verification Letter to a Social Security office (see list below) to receive your social security number (please see below for directions and a list of required documents to bring with you). ***The Student Exchange Visitor Program (SEVP) advises that applicants for a social security card should be in the United States for more than ten days before going to the social security office to apply.*** This allows time for arrival data from the Port of Entry to be entered in the primary system that the social security administration uses for authorization validation.
