Work Experience

Painter/Crew Leader

ABC Corporation - February 2016 - June 2016

- Applied putty, wood filler, spackling and caulks to prep uneven surfaces.
- Polished painted surfaces with sandpaper, pumice, rouge, wax and other finishing materials.
- Minimized disruption of client space and thoroughly cleaned up after the completion of each job.
- Painted lines for parking lot stalls, as well as safety lines on curves in the road.
- Cleaned and properly stored all paint equipment and supplies at the end of each workday.
- Bid on projects prepped the sites and completed the projects in line with customer specifications.
- Prepared trim, walls, and ceilings for painting by cleaning, smoothing and priming.

Journeyman Painter

ABC Corporation - January 1999 - September 2015

- Placed coated workpieces in ovens or dryers for specified times to dry or harden finishes.
- Rinsed, drained, or wiped coated workpieces to remove excess coating material or to facilitate the setting of finish coats on workpieces.
- Cleaned surfaces of workpieces in preparation for coating, using cleaning fluids, solvents, brushes, scrapers, steam, sandpaper, or cloth.
- Read job orders and inspect workpieces to determine work procedures and materials required.
- Cleaned and maintained tools and equipment, using solvents, brushes, and rags.
- Examined finished surfaces of workpieces to verify conformance to specifications and retouch any defective areas.
- This is Dummy Description data, Replace with job description relevant to your current role.
