

STUDENT RECEIPT VERIFICATION

Your Student Orientation Handbook will provide you with a general understanding of the hospital policies and guidelines. The information contained in this handbook should be helpful, and you are required to become familiar with its contents.

This handbook does not cover every question about your clinical rotation, and is not a contract.

Your signature confirms your receipt of a copy of this handbook and understanding that it is your responsibility to be familiar with its contents.

I understand that should I have any questions regarding information contained in this handbook, or other policies, it is my responsibility to consult with my preceptor/clinical liaison.
