

Stormwater Management Design Review Training Completion Listing

The Stormwater Management Design Review Course is intended for those who review major development projects for compliance with the Stormwater Management Rule, N.J.A.C. 7:8. This course covers the rule's requirements, calculation methodologies, and how to review a major development. The training supports compliance with the Statewide Basic Requirements and Associated Conditions of The NJPDES MS4 General Permits. Information regarding the Municipal Stormwater Regulation Program can be found at https://www.nj.gov/dep/dwq/msrp_home.htm.

Disclaimer: The individuals named herein have satisfied the training requirement to complete the Department approved Stormwater Management Design Review Course which expires on the date listed for the respective individual. This listing does not certify the ability of the individuals named herein to perform reviews for major development and redevelopment projects, nor does this listing imply the individuals named herein have satisfied the licensing requirements of the New Jersey State Board of Professional Engineers. The dates listed herein supersede all previously published dates.
