

# Interval Study Guide

For VYC/Bridge

min 2nd      Maj 2nd      min 3rd      Maj 3rd      Perfect 4th      Aug 4th

Perfect 5th      min 6th      Maj 6th      min 7th      Maj 7th      Perfect Octave      min 9th

min 2nd      Maj 2nd      min 3rd      Maj 3rd      Perfect 4th      Aug 4th

Perfect 5th      min 6th      Maj 6th      min 7th      Maj 7th      Perfect Octave      min 9th

\*If the Aug 4th is spelled as D-A flat it is called a dim 5th. Both of these intervals can also be called a Tritone.

Also note that a min 2nd = 1 half step, Maj 2nd = 2 half steps, and so on...
