**Modified Diploma Agreement**

The team has reviewed and discussed graduation options and agrees that a Modified Diploma plan best meets \_\_\_\_\_'s needs. The team recognizes that the requirements for a Modified Diploma differ from those of a standard Oregon Diploma and that \_\_\_\_\_ will not be eligible for a standard Oregon Diploma under this plan.

Our team understands that \_\_\_\_\_ must successfully complete the required units of credit and other criteria detailed in this plan in order to obtain a Modified Diploma. It is also understood that the team may opt to change this plan at a later date and return \_\_\_\_\_ to the pursuit of a standard Oregon Diploma.

The decision to place a student on track to receive a Modified Diploma should not be made before a student's 6<sup>th</sup> grade year nor later than 2 years prior to graduation.

**Team Considerations**

- Yes  No    The student has a current 504 plan
- Yes  No    Evidence documents student's history of an inability to maintain grade level achievement due to significant learning or instructional barriers (physical, cognitive or emotional)
- Yes  No    Evidence documents student's history of a medical condition that creates a barrier to achievement
