

Dear Parents,

Please find enclosed the online learning schedule for classes Pre-school to Class V. The concerned teachers will share instructions, learning material / worksheet on the all working days through whatsapp group and website. The work thus allotted will be given due weightage for the Internal Assessment for the I-term the session 2020-21. Use material available at home only. In case printer is not available, do not panic. Instead the allotted work can neatly be done on simple sheet and maintain a folder for the same. Parents should help the child by involving them in other activities also, like helping in household work, increasing awareness spending time with family, etc.
