

## Reflection on a Work Sample: Single-Point Rubric

Name: \_\_\_\_\_ Date: \_\_\_\_\_

Use the success criteria in the middle column to reflect on your work sample. Consider each criterion and the degree to which it is present in your own work. Offer evidence from your sample to support your ideas. Once you have completed your reflection, submit both your sample and this template to your teacher, who will offer feedback. Then you can use the feedback and your own reflections to make some decisions using the questions at the end of this template.

Student Reflection	Success Criteria	Teacher Feedback

Based on my reflection and teacher feedback, I am going to return to my work and revise the following things:
