

## MAE Seminar Attendance Form for PhD Students

**Note:** This form must be completed and returned to the MAE office at the end of each semester for which the student has FULLY attended at least 80 % of the department seminars (no certification will be given for partially attended seminars). Two semesters of 80 % attendance are required prior to graduation for PhD students beginning their program on or after the Fall 2016 semester. Multiple forms may be used, depending on the number of seminars attended. One box must be completed for each seminar attended.
