\*\* Live/Synchronous teaching times will be recorded for students who are unable to attend and will be posted on Canvas\*\*

**Applied Learning times are flexible.**

Teacher Facilitated Learning (Synchronous) Live app. 30-60 mins/day	Students meet in class for virtual instruction with a SFSD teacher. This is teacher-facilitated learning that is done virtually. These times will be recorded and posted in Canvas.
Flexible Reading Groups	These would be just like your regular reading groups. Find a good time for all the members. We can use RazKids for the leveled readers.
Applied Learning (Teacher Facilitated-Asynchronous)	Teachers may post learning opportunities including videos, reading, practice, and application connected to the synchronous learning sessions. This time is flexible for students to work independently and does not necessarily have to be done in this time frame.

Office Time	Each day teachers are available for additional office time so that students are able to check for understanding and receive additional support. Office time may be adjusted as we go. Please make appointments to meet with your teacher.
WIN: What I Need (Intervention Support)	This is a time specifically designed time in which students receive additional support or learning based on their specific needs. This is likely to happen in one on one or small group format. This includes time for small groups, Title 1, SPED, ESL, 504, and other services.
Wellness Choice	This is time for students to take breaks in their day to care for their physical & mental health. This could include nutrition breaks, physical breaks, or counselor time.
