Please forward to the relevant National Sporting Organisation

## Organisation Type

National Sporting Organisation (NSO)	An Australian Sports Commission recognised, preeminent body representing a particular sport in Australia.
State Sporting Organisation (SSO)	An affiliated member association of the national sporting organisation representing a particular state or territory for the sport.
Sporting Association	An affiliated member association of a state or regional sporting organisation recognised by the national sporting organisation (NSO).
Local Club	An affiliated member association of a state or national body providing services to its members in the delivery of sports programs.
State Department of Sport and Recreation (SDSR)	A state or territory government department developing and implementing government policy that aims to contribute to the health of Australians by increasing physical activity in the community through sport and recreation.
Local Government Authority (LGA)	A governing authority providing sport and recreation facilities and services to their local communities.
Education association	An affiliated member association of school-based local or regional body representing a collective or an individual sport.
Commercial Operator	A for-profit, non-government, organisation that provides sporting services and facilities at a local, regional or national level.
Community / Recreation Group	An affiliated group, or partner of a national sport and active recreation organisation, that provides membership services and delivery of sport and active recreation.
Other	Any <b>other</b> sporting organisation that does not fit in the above definitions
