

## Community Based Questionnaire

### SECTION I - PARISH OR SUB COUNTY DATA

To answer the following questions, you will need to know:

- ▢ total parish population
- ▢ number of households officially registered as "vulnerable"
- ▢ number of bank branches operating in the parish (or location of the closest bank branch)
- ▢ number of microfinance institutions operating in the parish (or location of the closest microfinance institution)
- ▢ number of SACCOs operating in the parish (or location of the closest SACCO)
- ▢ Number of NGOs registered in the parish.

Note that for the purpose of the research, some large parishes have been split in half. Also in this case, provide all the above information at the parish level.

Please use **official administration records from the sub county offices.**
