

## Community Questionnaire DESC River Neck to Kingsburg Pipeline

This Community Survey is designed to allow you to participate in DESC's study for the expansion of their gas system. The information you provide on this questionnaire will help ensure that DESC appropriately considers all factors that should influence the development of alternate routes and the selection of the final route. A map of the existing system is located at the end of this questionnaire. You may use it to identify any areas of concern.

### I. Routing Information

An array of factors will be considered when routing the future River Neck to Kingsburg Pipeline. These factors fall into the categories listed below. Please review the factors carefully and **rate them according to their importance to you within each category** (*1<sup>st</sup>* = most important, *2<sup>nd</sup>*, *3<sup>rd</sup>*, etc. within each category). You may designate as many factors as you choose as being equally important.

#### Category A: Environmental Factors (*1<sup>st</sup>*, *2<sup>nd</sup>*, *3<sup>rd</sup>*, *4<sup>th</sup>*)

- Protection of *wildlife habitat*
- Protection of *rare plants and animals*
- Protection of *streams*
- Protection of *wetlands*

#### Category B: Community Factors (*1<sup>st</sup>*, *2<sup>nd</sup>*, *3<sup>rd</sup>*, *4<sup>th</sup>*, *5<sup>th</sup>*, *6<sup>th</sup>*, *7<sup>th</sup>*, *8<sup>th</sup>*)

- The location of *residences* in relation to the pipeline
- The location of *schools* in relation to the pipeline
- The location of *churches and cemeteries* in relation to the pipeline
- The location of *hospitals* in relation to the pipeline
- The location of *nursing homes* in relation to the pipeline
- The location of *day care centers* in relation to the pipeline
- The location of *recreational areas/facilities* in relation to the pipeline
- The location of *scenic features or scenic viewpoints* in relation to the pipeline

#### Category C: Cultural and Historic Factors (*1<sup>st</sup>*, *2<sup>nd</sup>*, *3<sup>rd</sup>*)

- The location of *historic structures* in relation to the pipeline
- The location of *historic districts* in relation to the pipeline
- The location of *archaeological resources* in relation to the pipeline

#### Category D: Visual Factors (*1<sup>st</sup>*, *2<sup>nd</sup>*, *3<sup>rd</sup>*, *4<sup>th</sup>*, *5<sup>th</sup>*)

- The degree to which the pipeline will be seen from *residences*
- The degree to which the pipeline will be seen from *public roads*
- The degree to which the pipeline will be seen from *public facilities*  
(schools, churches, nursing homes, commercial/industrial facilities, etc.)
- The degree to which the pipeline will be seen from *recreation* areas (parks, ball fields, public hiking trails, campgrounds, lakes, etc.)
- The degree to which the pipeline will be seen from *unique scenic features*  
(waterfalls, elevated points with panoramic views, etc.)

**Category E: Land Use Factors** (1<sup>st</sup>, 2<sup>nd</sup>, 3<sup>rd</sup>, 4<sup>th</sup>, 5<sup>th</sup>, 6<sup>th</sup>, 7<sup>th</sup>)

- The effect the pipeline will have on *forests*
- The effect the pipeline will have on *crop and pasture land*
- The effect the pipeline will have on *commercial land use*
- The effect the pipeline will have on *institutional land use* (churches, schools, libraries, etc.)
- The effect the pipeline will have on *industrial land use*
- The effect the pipeline will have on *residential land use*
- The effect the pipeline will have on *public land use* (public recreation areas, parks, hiking trails, etc.)

*Please feel free to attach additional sheets if needed to respond to the following statements and questions.*

1. Please summarize what you consider to be the most important resources, features, or other amenities in the area (please see map at the end of this questionnaire).

---

---

---

2. Do you know of any building, family cemetery, or landmark in the area that could be historically important? If so, please describe the location below, mark it on the study area map, and provide the owner's name and address (if known). Also, please visit the **Route Selection Workstation** at the Community Workshop, if you attend, and point out the location on maps provided.

---

---

---

3. Are you aware of any feature or place in the study area with unique or special scenic quality? If so, please explain below and to the **Route Selection Workstation** representatives at the Community Workshop if you attend.

---

---

---

4. Are you aware of any location in the study area that is frequently used for recreation? If so, please describe the location below and to the representative at the **Route Selection Workstation** if you attend the Community Workshop.
