

Conditional Admission Agreement

Student Name: _____ **G#** _____

Term: _____ **Year:** _____

Information and Policy:

Conditional admission may be granted to an applicant who is temporarily unable to obtain all the required documents for admission. All applicants must submit a primary form of identification. Conditional admission is a provisional acceptance in which the student will be permitted to enroll and attend classes for **one term**. All admission documentation must be received prior to the completion of the first term of enrollment.

If all required admissions documents have not been received by GSCC prior to the end of the first term, the student's transcript will be held until this requirement has been met and the student will not be allowed to continue enrollment. **Conditionally accepted students are not eligible for federal student aid.**

GSCC conditional admission policy complies with the Alabama Community College System (ACCS), State in Board policy 801.01 – General Admission 1.2.1.2.

Conditional status: All students must submit a primary form of identification. Students who have not submitted other required documentation may be admitted as conditional status. Failure to provide documentation by the end of the first semester, as determined by local institutional calendars, will prevent a student from future registration and official transcript release.
