

## Request for Comment Response Form

Moody's invites market participants to provide feedback on its Requests for Comment ("RFCs") by completing this form. Comments are normally accepted in the one month period after publication of an RFC. Comments should be responsive to the RFC, and not contain any threatening, abusive, indecent, obscene, defamatory, or otherwise illegal or inappropriate content, or content that would breach the intellectual property rights of others. Please check [www.moody's.com](http://www.moody's.com) for a list of RFCs to which you wish to respond.

Comments will only be formally considered if submitted using this form and sent to [RFC@moody's.com](mailto:RFC@moody's.com) before the end of the comment period. We will publish responses as submitted (and by submitting this form you consent to such publication) unless: (i) the respondent specifically requests confidentiality by selecting this option below; or (ii) the response is inappropriate or not properly responsive to the RFC, in Moody's sole discretion. Published responses represent the views of those commenting, not Moody's, and Moody's shall not be obliged to verify the identity of each respondent, nor that each respondent, as submitted, validly represents the views of the stated responding organization. As such, Moody's cannot be held liable for any of the responses published.

MIS, a wholly-owned credit rating agency subsidiary of Moody's Corporation ("MCO"), hereby discloses that most issuers of debt securities (including corporate and municipal bonds, debentures, notes and commercial paper) and preferred stock rated by MIS have, prior to assignment of any rating, agreed to pay to MIS for appraisal and rating services rendered by it fees ranging from \$1,500 to approximately \$2,500,000. MCO and MIS also maintain policies and procedures to address the independence of MIS's ratings and rating processes. Information regarding certain affiliations that may exist between directors of MCO and rated entities, and between entities who hold ratings from MIS and have also publicly reported to the SEC an ownership interest in MCO of more than 5%, is posted annually at [www.moody's.com](http://www.moody's.com) under the heading "Shareholder Relations — Corporate Governance — Director and Shareholder Affiliation Policy."
