

# **NSF CAREER PROPOSAL**

## **PANEL DISCUSSION/ WORKSHOP**

**FRIDAY - FEBRUARY 24, 2006  
Prairie-Rose Room Memorial Union  
1pm to 3pm**

The NDSU college of engineering and architecture and ND EPSCoR are organizing a panel discussion to help faculty prepare proposals for the prestigious NSF CAREER grant. The panelists are past recipients of the NSF CAREER award who through their personal experience will talk about what it takes in their view to write a successful CAREER grant. A large portion of the program will be set aside for discussion. All faculty eligible for submitting the CAREER proposal are encouraged to attend. This event is also open to others interested in writing NSF grant proposals. Procedural issues such as fastlane submission etc. will not be discussed here.

*(Refreshments will be served)*

**Panelists:** Dr. Gregory Cook – Chemistry  
Dr. Kalpana S. Katti – Civil Engineering  
Dr. Eakalak Khan – Civil Engineering  
Dr. Seth C. Rasmussen - Chemistry  
Dr. Wenfang Sun - Chemistry
