Delivery & Logistic Services

Merkur Expo Logistics GmbH has been appointed the official forwarding agent and clearance agent for all Kenes congresses.

We offer the following services: customs clearance, delivery to the booth, freight forwarding, manpower & trolleys for un-loading/loading during build-up and dismantling, storage of empty crates, transportation to and from the Exhibition Hall.

For security, insurance, and efficiency reasons, Merkur Expo Logistics is the sole official agent to handle cargo inside the venue. Booth builders are prohibited from using trolleys during set-up and dismantling periods.

Kindly note that Merkur the official agent is the exclusive agent for move in and move out of the venue. Exhibitors and booth builders are free to deliver their goods or to pick their goods up from outside the venue. Those who use their own facilities up to the venue are requested to coordinate their time schedule and unloading of their cargo into the venue with Merkur.
