

Student Government
Financial Request Form Informational Sheet

Thank you for your interest in the *Student Government Financial Request Program*. This is a new program developed by student government to give back to the student body by helping fund clubs or activities at MHS.

How it works

- 1) Forms will be due on ***Friday, October 24th***. If allocated funds are not used by this time, then additional applications will be taken as resources provide. All requests will be reviewed and approved by the student government budget committee. Approved applicants will be notified and asked to present their proposal to the entire student government on ***Wednesday, October 29th***.
- 2) If funding is approved by student government, then the club will receive the desired amount in their account. Please allow at least 4 weeks for processing before funding is needed.

Thanks again for your interest in this program. Please feel free to ask for any amount in your request. The student government sub-committee will decide if student government has the resources to meet your request.
