## Alternative Routes/Pipeline for Paras/Educator Retooling/Future Teachers

Return form by August 31, 2019

### TEACHERS

- **NOTE:** You need to teach a minimum of 40 days in order to earn loan forgiveness for the year (as stated in your promissory note).
- Complete one form per district, per school year. Incomplete forms will not be accepted.
- You can earn loan forgiveness toward your teaching obligation only for days spent teaching after obtaining your Residency Teacher Certificate and/or Endorsement.
- You earn loan forgiveness only for those school days in which you teach at least one period of the day in the endorsement area(s) indicated on your promissory note, or as modified with pre-approval from WSAC.
- Fill in the number of full days (or equivalent) you are verifying. Partial days earn prorated credit. For example, if you teach 81 half days, report 40.5 full days. If you work 0.6 FTE for all 180 days of the school year, enter 108 days ( $180 * 0.6 = 108$ ).

### DEFINITION OF ACCEPTABLE SERVICE

- For teachers with content area endorsements, the following assignments are acceptable:
  - Teaching a course with a course code that matches with the endorsement according to state assignment policy set by the Professional Educator Standards Board (WAC 181-82-105)
  - Providing instructional coaching services in your endorsement area for teachers and/or paraeducators at the building and/or district level
- For teachers with endorsements in non-content areas (i.e., Bilingual Education, Early Childhood Special Education, English Language Learners, and Special Education – henceforth referred to as special populations), the following assignments may be accepted:
  - Teaching in a classroom position working exclusively with the special population (e.g., English language development class, resource room for Special Education)
  - Teaching in a mainstream classroom in which you support students in the special population by incorporating the special population endorsement competencies (e.g., the ELL endorsement competencies) into content area instruction
  - Providing instructional coaching services in your endorsement area for teachers and/or paraeducators at the building and/or district level
