

WBS DICTIONARY TEMPLATE

This template of a work breakdown structure (WBS) dictionary enables you to identify the complete project requirements and their details for each work package. It is an extremely important document because it enables those who are responsible for producing a work package to understand the exact scope of this work.

LEVEL/ WBS ID	WBS DESCRIPTION	OWNER / ORGANIZATION	SCHEDULE MILESTONE (S)	RESOURCES NEEDED	\$ COST ESTIMATE	QUALITY REQUIREMENTS	ACCEPTANCE CRITERIA
