

CHILD CARE DROP-OFF CONFIRMATION AGREEMENT

Most child deaths in hot cars occur because children are accidentally forgotten in the back seat. Morning child care drop off is a high risk time of day and a change in routine increases this risk. Nationally, 50% of children who died in hot cars were forgotten in route to child care. We, as parents and caregivers, commit to working together to ensure the safety of our children and to prevent this tragedy.

Parent(s)

I agree to:

- Call my child's child care provider if my child will be late or absent
- Contact my child's child care provider if someone different will be dropping off my child
- Keep my contact information current with my child care provider
